PARENT TEACHER ASSOCIATION

Aims and Functions of a Parent- Teacher Association

- ❖ To have the collaborative effort to help and support to the student for their all round development.
- ❖ To solve the unprecedented problems concerning students, teachers and management.
- ❖ To promote connections and communications between parents and school and to establish a partnership between them
- ❖ To promote the development in academic performance and the physical and mental health of children through close home- school co-operation
- ❖ To develop the potential of parents and to strengthen their relationship with their children through planning and conducting a variety of developmental and recreational activities
- ❖ To help parents to better understand their children's needs and to arouse their interest and involvement in youth policy through parent education
- ❖ To provide a channel for both parents and the school to exchange opinions concerning school policies for policies for promoting the development of the school
- ❖ To elect parent managers to the Incorporated Management Committee to work together with the other school managers in the management of the school
